

Public Feeding / Experiences

Health & Safety Information

Please read the following Health and Safety Information. Complete and sign the acknowledgment form and return to reception.

- The minimum age for all feeding experiences is 8 years old.
- Closed toed shoes / boots and full-length trousers **MUST** be worn. Admittance will not be permitted otherwise.
- We take every precaution to ensure the health of our animals, but all animals can carry diseases that may be transmissible to humans. Hand washing / sanitising stations are available at all feeding experience areas, for your safety we advise these are used after any experiences.
- Individuals who are pregnant, up to 6 months postpartum, or immunosuppressed should not take part in the feeding experiences. If any of these apply, please alert a member of staff and a refund can be issued. The experience may also not be suitable individuals with mobility issues or disabilities which affect motor skills or learning difficulties. Please contact us to discuss your individual needs.
- The experience may not be suitable for people with relevant allergies. If unsure, please contact us for advice.
- Gloves will be provided and must be worn during the experience. Hands should be sanitised after the experience.
- No food or drinks are permitted in the enclosures or to be consumed during the feeding experience.
- You must not touch, stroke, pet, hand feed, or restrict an animal's movements unless told it is acceptable to do so by the Zookeeper.
- Running and climbing are not permitted inside the enclosure.
- Safety instructions given by the Zookeeper must be always followed.
- We reserve the right to cancel/cut short the experience on safety or animal welfare grounds.
- All participants are ultimately responsible for their own safety and all their personal belongings, including all equipment carried with them.
